

## MEMORANDUM OF UNDERSTANDING

concerning

**Academic Cooperation**

between

**The University of Utah, USA**

and

**Escuela Politécnica Nacional, Ecuador**

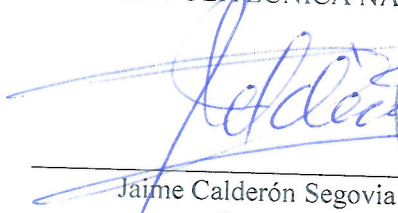

In the spirit of scholarly exchange, Escuela Politécnica Nacional and the University of Utah, a body politic and corporate of the State of Utah and an institution of higher education, agree upon the following principles to renew the current academic exchange and cooperation in education and research between the two institutions which was signed in 2011.

1. Escuela Politécnica Nacional and the University of Utah, based on respect for each other's independence and mutual benefit, will promote the following activities:
  - a. Exchange of professors and research scholars.
  - b. Exchange of students.
  - c. Exchange of scientific materials, publications and information.
  - d. Collaboration in research and other scholarly activities.
2. Implementation of the above points will be determined through joint discussion and consultation between the two institutions. If appropriate, additional agreements will be entered into by the institutions.
3. This Memorandum of Understanding is valid for a period of five years from the last signature date below. Any renewal and/or amendment of this MOU shall be determined through joint discussion of both institutions and memorialized in a writing signed by both institutions. Either institution may terminate this MOU by providing not less than six months' written notice to the other institution.
