

LETTER OF INTENT

Between

Escuela Politécnica Nacional

And

China University of Mining and Technology

Whereas the Escuela Politécnica Nacional, Quito, Ecuador and China University of Mining and Technology, Xuzhou, China seek to promote intercultural understanding and academic exchange, both parties intend to pursue cooperation in the following areas:

1. Academic and research collaboration
2. The exchange of students and personnel

In the framework of this general agreement, the Escuela Politécnica Nacional and China University of Mining and Technology may develop specific agreements that support the intentions expressed above.

We, the undersigned, hereby affirm common interests in developing the ties of friendship between our institutions and in fostering mutually beneficial cooperation.

Signatories

China University of Mining and Technology
